It's all over town: Menty's back! Who could be more suitable for lucky number 13 than Mr. Techabilly himself? "Lucky 13" starts with the gamblers hymn "All Aces High", setting every saloon on fire. Your pick could be the Bunched remix, if you like it even more funny. Flipside is tearing the dancefloor down with "Later Penetrator", a rollin' rocker! "Günther" cools it down a bit, with a funky rhythm and a whistle along melody. This record is reeeaaal gone! Ready? GO!
